

RESOLUTION OF INTENT AND ORDER OF THE TOWN OF FARMINGTON

WHEREAS, the City of Farmington, at the August 17, 2010 meeting discussed flooding, or flood-related erosion, causing serious damages to properties within our City and

WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of this Board of Alderman for the City of Farmington to require the recognition and evaluation of flood, or flood-related erosion hazards in all official actions relating to the land use in areas having these hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to Title 17, Chapter 1, Mississippi Code of 1972, Annotated.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED, that this Board of Alderman of the City of Farmington, Alcorn County, Mississippi, hereby

Assures the Federal Insurance Administration that it will enact as necessary, and maintain in force in those areas having flood, or flood-related erosion hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Part 60 of the National Flood Insurance Program Regulations (CFR44); and

Vests with the Clerk for the City of Farmington, Mississippi, responsibility, authority and means to:

- (a) Assist the Administrator, at his request, in his delineation of the limits of the area having special flood, or flood-related erosion hazards.
- (b) Provide such information as the administrator may request concerning present uses and occupancy of the flood plain, or flood-related erosion areas.
- (c) Cooperate with Federal, State, and local agencies and private firms which undertake to study survey, map, and identify flood plain, or flood-related erosion areas, and cooperate with neighboring communities with respect to management of adjoining flood plain, and/or flood-related erosion areas in order to prevent aggravation of existing hazards.
- (d) Upon occurrence, notify the Administrator in writing whenever the boundaries of the Community have been modified by annexation or the community has otherwise assumed or no longer has authority to adopt and enforce flood plain management regulations for a particular area. In order that all Flood Hazards Boundary Maps and Flood Insurance Rate Maps accurately represent the Community's boundaries, include within such notification a copy of a map of the community suitable for reproduction, clearly delineating the new corporate limits or new area for which the community has assumed or relinquished flood plain management regulatory authority.

Appoints to maintain for the Clerk of the City of Farmington, Mississippi public inspection and to furnish upon request for the determination of applicable flood insurance risk premium rates within all areas having special flood hazards identified on a Flood Hazard Boundary Map or Flood Insurance Rate map, and certificates of flood-proofing, and information on the elevation (in relation to mean sea level) of the level of the lowest flood (including basement) of all new or substantially improved structures, and include whether or not such structures include a basement, and if the structure has been flood proofed; and

Agrees to take such other official action, as may be reasonable necessary to carry out the objectives of the program.

After a full discussion of this matter, Alderman Mac Grisham moved that the foregoing Resolution and Order be adopted and said motion was seconded by Alderman Lowell Gann, and upon the question being put to a vote, the Resolution and Order was adopted by the affirmative vote of the Board of Alderman of the City of Farmington, Alcorn County, Mississippi, who were present and voting as follows:
